Further information

Programme. All advance versions of the conference programme should be treated as provisional: the Society reserves the right to change any aspect of the programme and other arrangements where good reason calls for this to be done. Please note, in particular, that in the event of speaker cancellations, **we may change timings (including dates) for sessions or individual papers** in the interests of maximising presentation time and maintaining a coherent programme. **If you are registering as a speaker and will be attending only part of the conference you should inform us in advance so that we can avoid any availability problems.** The version of the programme on the Society's website will be updated at regular intervals.

Cancellation. The Society is obliged to commit resources to the administration of the conference and we reserve the right to refund only a proportion of any payment made if you cancel your booking before the event. There will be a £10 administration fee for cancellations until 1 June 2015. **No refunds will be given after 1 June** except under extraordinary circumstances (at the Society's discretion).

Acknowledgement. A booking acknowledgement will be sent following payment. If you require a certificate of attendance please ask in advance so that we can provide this at the conference itself.

Extra nights. These can be booked through Swansea University Conference Services, adding a note to say that you are attending BSHS 2015: conferences@swansea.ac.uk.

Double and family rooms. On-campus accommodation at Swansea University mostly consists of single rooms with en-suite facilities. There are also a small number of twin rooms which we have reserved for our delegates. Please contact us for further details on office@bshs.org.uk. Please note, however, that because of the presence of heavy fire doors, the University does not consider this accommodation suitable for small children. For alternative accommodation options in and around Swansea, see <http://www.visitswanseabay.com/>.

Accessibility. If you require a room on the ground floor this can be arranged provided you notify us at the time of booking. If you are a wheelchair user, please contact us in advance to discuss your needs.

Society membership. Non-members may join the Society now and benefit from members' rates. Membership forms and direct online ordering are available from the Society's website at www.bshs.org.uk/join. The membership year is the calendar year but new members will receive back copies of *BJHS* and *Viewpoint* published since the beginning of 2015.

Grants. *Student members* of BSHS may apply to the Society's Butler-Eyles Fund for contributions towards travel costs associated with attending this conference. *Independent scholars* who are members of the BSHS are also eligible to apply to the Butler-Eyles Fund. All members of BSHS with *childcare or other care responsibilities* may apply to our conference care grants scheme for financial assistance. Further details are available at www.bshs.org.uk/grants.

More information. Further details of the conference will be posted on the Society's website. For information about tourist activities in and around Swansea, see the Visit Swansea Bay website: <http://www.visitswanseabay.com/>. For activities further afield, see the Visit Wales website: <http://www.visitwales.com/>.

For information about getting to Swansea University's Singleton Park campus, see <http://www.swansea.ac.uk/the-university/location/directions/>. Parking on campus is extremely limited; we recommend travelling by public transport or taxi if at all possible. A regular bus service, the 4 or 4A, runs from directly outside Swansea train station to the University; it passes the main entrance to the campus then loops back via Singleton Hospital to stop directly in front of Fulton House, site of the main University reception. Tickets can be added to a train ticket (PlusBus tickets), purchased on board, or bought via an app:
